Scout Outings!

Bring your Scout Group to Ellis House and Equestrian Center for 3 hours of fun and learning through hands-on activities with our horses!

The first 2 hours of your outing are hosted by us and include a horse head craft, an informational tour of our barn, grooming the horses, and a pony ride!

The last hour of your outing you chose one of the following:

1. **A Service Project-** Be prepared to get dirty and work hard by helping with some of our daily chores in the horse barn!
2. **Nature Walk -** Explore the 2 miles of our limestone trails that take you over the creek, through the woods, and across the fields surrounding our facility!
3. **Free Time-** Some groups prefer to use our classroom or grounds to do an activity of their own... This option is for you to organize!

Contact Nicole TODAY to reserve your spot!
